

Five, four, three, two, one

Leggo! (watch me)

Level up, level up, level up, level up, level up

Level up, level up, level up, level up, level up

All this on me, so yummy, all this oh so

You know you want this yummy, yummy all in
your tummy

Level up, level up, level up, level up, level up

Level up, level up, level up, level up, level up

All this on me, so yummy, all this oh so

your tummy

Them old mistakes are gone, I won't do them
no more

That's old news, there's new news, I done did
that before

I turned nothing to something, my comeback
on one hunnid'

Less talking, more action, you just gon' CiCi
coming

I just keep elevating, no losses, just
upgrading

My lessons, made blessings, I turned that into
money

Thank God I never settled, this view is so
much better

I'm chilling, I'm winning, like on another

level

Oh, you can talk all you want

See me, I see greater

Nothing I'm afraid of

And I can have it all

Five, four, three, two, one

Leggo! (watch me)

Level up, level up, level up, level up, level up

Level up, level up, level up, level up, level up

All this on me, so yummy, all this oh so

yummy

You know you want this yummy, yummy all in

your tummy

Level up, level up, level up, level up, level up

Level up, level up, level up, level up, level up

All this on me, so yummy, all this oh so

yummy

You know you want this yummy, yummy all in

your tummy

Fake friends get dropped like weight

Team love, don't want no hate

I'm grindin', I'm shinin'

Up, up, up on my way

Thank God I never settled

This view is so much better

I'm chilling, I'm winning

Like on another level

Oh, you can talk all you want

See me, I see greater

Nothing I'm afraid of
And I can have it all
Five, four, three, two, one
Leggo! (watch me)

Level up, level up, level up, level up, level up
Level up, level up, level up, level up, level up

Level up, level up, level up, level up, level up
All this on me, so yummy, all this oh so

You know you want this yummy, yummy all in
your tummy

All this oh so level, on another level
Elevate your level, le-le-le-level

Graduate your level, there's no one on it
Nah, nah, nah (ay)

All this oh so level, on another level
Elevate your level, le-le-le-level

Graduate your level, there's no one on it
Nah, nah, nah (ay)

Level up, level up, level up, level up, level up
Level up, level up, level up, level up, level up
All this on me, so yummy, all this oh so
