

Part 1

“School Fight”

Leah's favorite time of day was to see her boyfriend, Tim. Leah couldn't believe her eyes when she saw Tim cheating. "You backstabber! How could you do this to me!" Leah turned her back crying reading a book. "Leah" Tim responded quickly, "I Swear, it" Tim struggled to say one word, "Save it," Leah walked off and began writing to her journal. "Dear diary, today at P.E. It was free time. But I could not believe Tim cheated on me." Leah had always kept her Diary, Ellie. She named her diary after her mother, when she passed away. She wrote again, "Ellie told me to always follow my dreams some day- but I cannot believe her. She kind of hurt me when I was younger"

Not a day or second later, Leah gasped. Tim was with Annabella! Her best friend. "Annabella?!" Leah said there, in shock. "Oh dear! Hey Leah.. um.. I'm not Annabella.. I'm uh Ha...Hailey! Yeah" Annabella turned around simply smiling in laughter. "Oh, there is no "Hailey in the school roster though." Leah said. "No... I'm new here.." Annabella said roughly, closing her eyes in frustration. Leah wondered what is going on inside "Hailey's" head. Here is what is happening inside her head: ugh.. I can't let my own friend know I'm Annabella and not Hailey. I hate lying to her face, but she would KILL me!

Explain Leah's actions throughout part 1.

Leah's actions were explained how Leah was acting towards Annabelle.

Explain Annabella's actions.

Annabelle did not want Leah to know she was having an affair when she was cheating with Tim.

How does Leah feel when Tim cheated on her?

Annabelle hated herself for cheating so she wanted to make Leah happy by lying. Leah felt miserable.
