

## Daily shoutouts

@daisylover

She's an amazing host for competitions, she's trying to hit 100, only three more, lets get her to 150 by the end of today

@jennadoesart

She/they pronouns, amazing improving artist, needs more than 52 followers (even though she follows like 304 people 😭)

@kam\_kat

An amazing artist who puts so much effort into this kinda stuff, needs more than 171 followers due to not enough people knowing this beautiful female artist and our community

@thatmemeguy

One of the many people i know that make Warhammer 40k fan art, needs more than 10 followers, would love to see thier armies list and do colabs together.

@duck-vibez

One of the many people I know that loves ducks just like me, would love to do a collab sometime in the future
