

Hey guys! I had a new series idea since my posts have been pretty dry lately. I'll try to remember as much of a song as I can! Let's see how this goes...

Girl I've Always Been

Olivia Rodrigo- guts (spilled)

ukelele/guitar

A five, six, seven, eight
Baby doll you have changed
That's the thing you always say
Cursing me curse my name
Bud duh duh duh du du

idk

Your on my couch
You're fighting tears
You say I'm cruel beyond
My years and as you're walkin
Out that door you say you
Don't love me anymoooooorreeeee

But I keep down with good ol' friends
I got panic rooms inside my head
I get down with crooked men but
I am the girl I've always been

I got it wrapped up in my game again
Buhdhu bdujbfjddjndndhsidj

idk

another part ig:

I'm nothing if I'm not consistent
Blah blah blah blah blah

very random

Not-so-fun fact:
Olivia came to
my hometown to
march but I couldn't
go in bec
wah wah hoo

I haven't listened
to this in months btw 🤪
