

**Three girls Sarah, Katherine, and Katie were on a normal adventure when they receive these mysterious wristbands. The thing is they were the only ones who got them. They try to forget it but a leap in the dolphin tank makes them discover they have water powers. Not only that but any animal they touch they gain their powers. Things get worse as they have to use their newly discovered powers to save the animals from someone you may least expect.**

**If you love adventure mystery and the power of animals and friendship be sure to stay tuned for Water Girls.**

**Stay tuned for release date.**
