

So, I know it's been awhile since I talked about Curly Fry. For those of you who don't know who Curly Fry is, that's the nickname for the guy that I like because he has curly-ish blonde hair. Anyway. For the past three days at school he wore the same hoodie. IN A ROW PEOPLE. ANYWAY, on the first day he wore it, I was hanging out with one of my friends that has Squad and Seminar with him and he heard me talking about him without knowing I was talking about HIM 🤔🤔🤔. He heard me say that I liked his hoodie and it looked comfy, and I NEVER said his name I just said, "His hoodie looks comfy. I want it so bad" and WHAT DOES HE DO? He wears it again on Thursday and Friday. He is soooooooooooooo fine 😍😍😍😍❤️❤️❤️❤️❤️❤️❤️
