

To @teengirl4god:

I love you sooooo much. It was all my mistake. I want to be the best friends we were. I know that only the best friendships have their worst fights. That is how we get to know each other and understand each other. Even if you hadn't forgiven me I would have always remembered how good of a friend you are. You have seen me in my worst and my best. You have seen me sad, happy, crazy, tired and I have trusted you with my deep secrets. I wasn't such a good friend to you. I exposed you and mistreated you. I love you and I want to build up our friendship to the way it used to be. I want to be friends with S and I will try not to leave her out. Love ya! Your Old bestie (hopefully still bestie)
