

Helloooooo guyssss!!! 😘😘😘

I know that i said i would be inactive ill 7th january but I HAD TO TELL YOU SOEM STUFF

I was on vacation in Bavaria, Germany 🇩🇪 with friends of my family. It was cool, cuz we went to a famous puppet show museum (Augsburger Puppenkiste if someone wants to know) and they showed how these figures were made and we went to Schloss Neuschwanstein, thats a very famous castle and the castle of disney in the intro of disney is inspired by Schloss Neuschwanstein

I am doing a referee training course with my friends for basketball 🏀. That means we are going to be refs (if we pass the course) for other teams and today was day no. 1 and i have that course also tmrw. Btw there are really cool guys (14/15 yo), who we became friends with

I was on a bday party of my friend and I didn't know **anyone**. Actually the friend who host the party invited on of our friends so i wasnt alone but she is still on vacation in poland 🇵🇱 so it was a little awkward 😬. Also there was this one girl Anna (15 ig) who I didnt like much cuz she: vapes, had more relationships than she is old, isn't innocent (very weird things i dont want to say in a \$3xua[way) and alr drinks @lkohol like girlll you are only 15 but thats NoN oF mY bUsInEss

While chillin on my phone 📱 i went on the chat with 🍪 and realized how much i text with him like Whaaaaatttt and i also realised that i really like him 😘😘😘😘

So thats it guysssss

Love yall

elaine 💕💕 ✨
