

I'm working on a drawing with ALL the employees in it, but it is taking a bit longer bc I'm not feeling so well at the moment. I'm truly sorry and plz be patient.

Upcoming drawings after the employee photo.

Each group and their job section where everyone else works

A one on one with trixie (like how she feels and everything)

A tour of the work place/ living space

A small simple comic strip

Simple doodles of the employees!

Then a error during the opening night! (Tho I'm not sure what error to make, if u have any ideas plz let me know)
