

Hi guys! Mbbby here. As many of you know I gave up in my original acc (@mbby), and created my own account. Well... my other account, @evelyn_art, got hacked by an old friend. So I couldn't access and post. I discovered it and made him eliminate it. Well. I want to let you know about it and if you spread this message you will help me a lot. If I tagged you is because I thought you could help me...
