

I got so many fun submissions to my dream monster contest! Even though lore was not required, a lot of you added interesting stories, which I loved to read. Some made sad or friendly monsters while others made them down right spooky! 

and now...

The Winners

To my dream monster contest

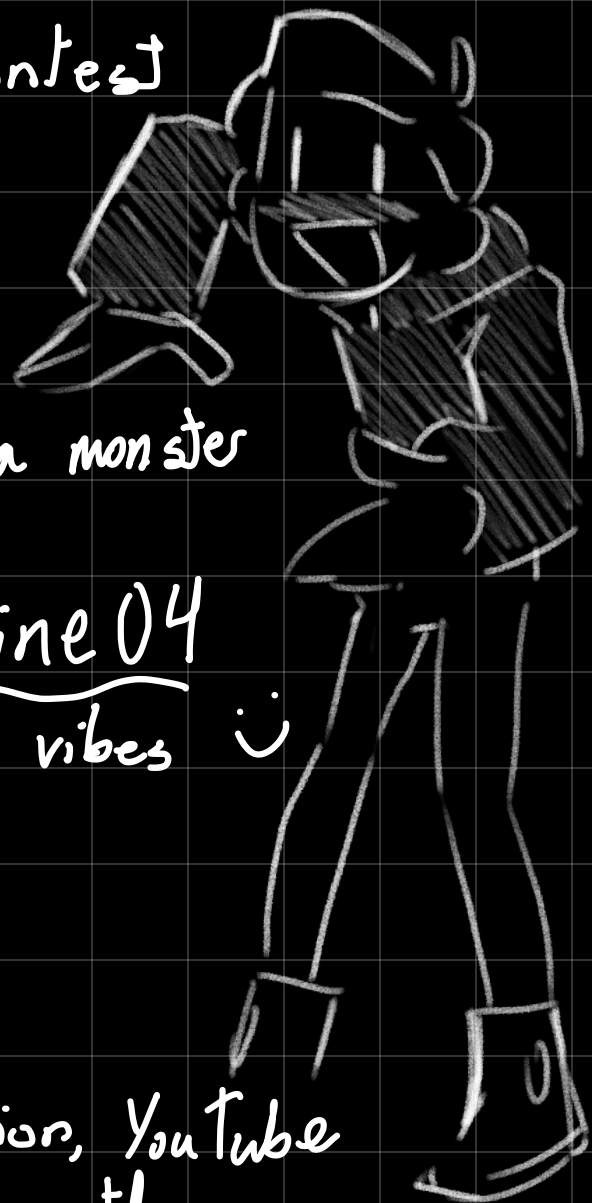

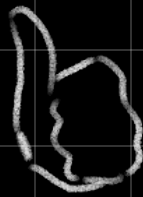

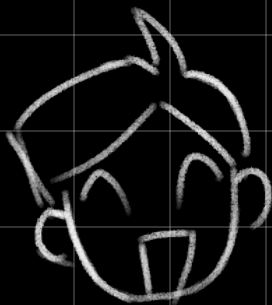

1st @aponila23's siren

2nd @maddiecore's painter

3rd @stankycheez's lava monster

Judges choice @micheline04

it gave me good vibes 

I also made a new 3D animation, YouTube link in description to check it out!

honorable mentions to @mrdestim,
@all the good names are taken @sarah_meow
@cabin7-avenger, @trans_femboi
for their submissions!

@aponila and @michline04 both get prizes! (choose a character (yours or fanart) for me to draw. @aponila's will be in color and @michline's will be in black and white. Comment what you'd like me to draw or tag me in a post with it
