

We made it to 140!!! Special shout out to

@antoine-p. Thx for being my 140 follower.

Comment what you thought of my sol de Janeiro stickers. Comment what I shout do next. Also, if we can hit 150 by Thursday, I will do a room reveal or make some special stickers. I think I will do cute font stickers with your name or something with an aesthetic. Thx again for 140 follower. I don't even know how I got so far.

Thx
