

1 Omg friends, I did a winterbreak about 1,5 week and I got about 11 new followers. Obviously it's not the much but it's so niiiiice. I thank you all! So we get a little community, and I'd love to see some of your art. If you want to show it to me use #solle. If you want me to see your art & promote you comment your username under this note.

Thank you
Solle
