How do you write like you're

Running out time

Write day and night like you're

Running out time

Every day you fight like you're

Running out time

Like you're

Running out time

Are you running out time?

How do you write like tomorrow won't arrive?

How do you write like you need it to survive?

How do you write every second you're alive

Every second you're alive

Every second you're alive
