

Hi guys sorry for typing but my handwriting's not the best but I wanted to say I'm working on a new project that might take a while to finish. It probably will come out beginning of February. It's going to be a series of projects if it comes out well. Also thanks for almost 20 followers!

I'm the  
good luck  
chicken! If  
you see this I  
hope you have  
a good day! ♥

P.S: I'm a
