

FOR MY ROLEPLAY FAMILY ONLY!!!!!!

Can you send me your OC! I am making a family photo in Gacha Club!

@nightmare-the-nightwing {I made a William for my Fnaf AU. Do you just want to use that or do you want me to make a new William.}

@luna_is_a_ghost {I know your OC's you don't have to send me them. I will make them into one OC. If that is fine with you.}

@lee_yongbok {Do you want a new OC that is dead like a Afton or do you want a OC that you made and I can make them look dead. I can also just keep your OC the same and not change anything}

@caseypatterson {Do you want a new OC that is dead like a Afton or do you want a OC that you made and I can make them look dead. I can also just keep your OC the same and not change anything}

@undertaleisawesome {Do you want a new OC that is dead like a Afton or do you want a OC that you made and I can make them look dead. I can also just keep your OC the same and not change anything}
