

Hey! I noticed I'm not getting as many followers as I used to be! Please tell me what you'd like to see on my account, or what you think others would like to see! I try my best to listen, and make my followers happy! Lmk any ideas of a special reveal at 50 so we can reach that goal! (not age) Also, let others know about my account so you can support me <3 I really appreciate fan art, or shoutouts! Follow me, I'll follow back!
