@aden9

I always had that dream like my daddy before me
So I started writing songs, I started writing stories
Something about the glory just always seemed to bore me
'Cause only those I really love will ever really know me

@I will stand by you

I will help you through
When you've done all you can do
If you can't cope
I will dry your eyes
I will fight your fight
I will hold you tight
And I won't let go.

@ellie_k45

I was born in the blood with a name on my lips
Screaming, "F-k what all of you want from me
Y'all don't even know Nova Leigh"
I'm back for everything they stole from me
Stop telling me who I'm supposed to be
They want broke Nova, they want sad Nova
They want all the sm0ke until I'm red Nova
They want cute Nova, they want bad Nova
They want all the things, they can't have Nova
I'm a new Nova, I'm a rich Nova
I'm a start a fire, ki// R-I-P Nova
I'm the same Nova, I'm insane Nova

Can anybody see me here?
I see lots of people drawing near
If you ever find me weird, please let me know
Does anybody see me wave?
I guess I'll figure out my place
If you ever get annoyed, please let me know
