

It's me @moxttrot (Mason / Moxxie) and me friend @rwdpandaq (Reid/Rwd).  
So this is story-time EP0 S1 (Podcast)  
This is the "pilot". If you guys like this we will continue to make more!  
We will post an episode every other day if this goes well.

So me and Reid are friends so my (moxxie's) side of our story is that Reid is annoying and we will introduce more people in later episodes. So yeah and if you didn't see my bio, my lover is @jennadoesart and my friends are @rwdpandaq and @jennadoesart. So yeah let's go to Reid's side.

Good Morning! Reid here, firstly name reveal like it is finally here I've heard through the grapevine people were wanting a name reveal, so yeah call me Reid or Rwd (I don't really care) If this "pilot" episode goes well we will make more episodes. That's pretty much it so let's start the episode.
