

Okay so I tried posting a note saying that I need sleep but it has t get reviewed sooo Im just gonna put it in here and hope this one doesn't have to cause it takes forever for them to get reviewed...

Ima go to sleep cause I can barely keep my eyes open and im really stressed... I wanted to keep narrowing down who the flagger is cause obviously nota can't do it themselves... just wanted to apologize for not being able to work on this longer... I was hoping to figure it out today... sorry Luna...
