

Hello it's so good to see you @cyber_gore00

We met before but nice to meet you @oli_hello

: I don't really wanna be here

What's my name? Do you remember? I'm pretty sure you have my number-Addison Fritz

So let's pretend we like each other @shaddedtempest

This school is so suffocating walking on ice but nobody breaks it stuck in this one way conversation guess I'll be here for a while

And your blowing smoke in my face - William Shuttlesworth

And telling me all about your pay check - Dad

Take a shot with a fake smile to chase it guess I'll take another round

Everybody in this schools f-king fake~

I really wish I could say it to your face~

But I won't sooooo
