

Do you guys have that one family member who always gets other family members sick?! Cuz that's my older sister and it's so annoying -- right now me and my little sis are hiding in my room away from her cuz she has a cold and I ain't getting sick :) like she will just walk around, touch everything and hug everyone whole having a fever 🤒 btw I have another story time for u guys which I will be posting soon! Sorry for not doing that much art as well T-T now imma go binge yt bye ;-;
