

QUIZ TIME!

- Who woke up at 5:37 a.m
- Spent 2 hours and 23 minutes reading
- Only memorized 3 lines (barely)
- And is doomed to fail because she didn't memorize a page?

Hint; it's someone who uses an oc nicknamed Clam.

Note:

Because my incompetent memory has failed me once again, I might not be able to post anything this weekend. So see you guys on Monday!
