

This was the other surprise I had!!

Heres a little background info. yk how I pick out songs that represent my characters? well heres the reason that Devin's song to Lura is Perfect by Ed Sheeran. Enjoy!:

I found a love, for me ----- He found Lura and she found him
Darling, just dive right in and follow my lead --- They did it all together, no matter what it was
Well, I found a girl, beautiful and sweet -----Lura was known to be super sweet and he thought she was the most beautiful girl out there
Oh, I never knew you were the someone waiting for me ---he had a really bad childhood and was pretty alone before he meet her and Nika
'Cause we were just kids when we fell in love --that day when they were 12 when they meet and become friends
Not knowing what it was ---They knew that they enjoyed each others company and really related to each other but they didn't realize they were falling in love
I will not give you up this time -- When she got hurt and he didn't know if she would live or not
But darling, just kiss me slow
Your heart is all I own -- he didnt come from much
And in your eyes, you're holding mine -- She loved him just as much as he loved her. Also her whole world collasped when her dad died
Baby, I'm dancing in the dark -- He loved to dance with Lura
With you between my arms
Barefoot on the grass --- They would dance in the fields at camp under the moon
Listening to our favourite song -- Their favorite song was 'Kids Again' by artist vs Poets
When you said you looked a mess --Lura would always comment how she never looked good
I whispered underneath my breath --He would always go up to her and look her in her eyes
But you heard it
Darling, you look perfect tonight --- He would tell her this everytime
Well, I found a woman, stronger than anyone I know -- Lura went through losing her dad, leading a quest, losing Tyler, almost dying, and raising some elses kids
She shares my dreams, I hope that someday I'll share her home --They both realated in so many ways to each other and wanted pretty much the same things. He loved her so much.
I found a lover, to carry more than just my secrets -Lura is the only one who knows abt his past
To carry love, to carry children of our own --They always wanted kids
We are still kids, but we're so in love --They always saw each other as their 15 year selves even as they got older
Fighting against all odds --They went on two quests technically and they survived where many died on just one.
I know we'll be alright this time --Devin made a vow that he would do anything to make sure they were
Darling, just hold my hand
Be my girl, I'll be your man -- She had no one after her dad died so he promised to be there for her
I see my future in your eyes -- He always loved her eyes
Baby, I'm dancing in the dark -Dancing again
With you between my arms
Barefoot on the grass
Listening to our favorite song
When I saw you in that dress, looking so beautiful --After Astraea's quest, in Olympus, he thought she looked incredible in her dress and fell really for her then
I don't deserve this --He always thought this and never took it for granted that she was his
Darling, you look perfect tonight

Barefoot on the grass

Listening to our favorite song

I have faith in what I see

Now I know I have met an angel in person --[Referance to when she fell from Olympus to save him from the Chimera](#)
