

All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump
All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump
All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump
All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump
All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump
Check baby, check baby, one, two, three, four
Check baby, check baby, one, two, three
Check baby, check baby, one, two
Check baby, check baby, one

It's called the rump shaker, the beats is like
sweeter than candy

I'm feelin' manly and your shaker's comin' in
handy

Slide off my clothes from New York down by
your Virginia

Ticklin' you around Delaware before I enter
Turn to seduction from face hips to feet
A wiggle and a jiggle can make the night
complete

Now since you got the body of the year, come
and get the award

Here's a hint, it's like a long sharp sword

Flip tail, so let me see you shake it up like
dice

The way you shake your rump is turnin'
mighty men to mice

But A Plus got a surprise that's a back breaker
Now let me see you shake your rump like a
rump shaker

All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump

All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump

All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump

All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump

Check baby, check baby, one, two, three, four
Check baby, check baby, one, two, three

Check baby, check baby, one, two
Check baby, check baby, one

Yup, yup, it's Teddy

Ready with the one-two checker

Wreckx-N-Effect is in effects but I'm the
wrecker

Of the track 'bout the honey shakin' rumps
and they backs in

Booties of the cuties steady shakin' but
relaxin'

The action, is packed in a jam like a closet
Beats bound to get you up, cold flowin' like a
faucet

Not mean to make you sit, not mean to make

you jump

But yep make the hotties in the party shake
your rump

I like the way you comb your hair (uh)

I like the stylish clothes you wear (uh)

It's just the little things you do (uh)

That makes me wanna get with you (uh)

All I wanna do is zoom-a-zoom-zoom-zoom

And a poom-poom, just shake ya rump

All I wanna do is zoom-a-zoom-zoom-zoom

And a poom-poom, just shake ya rump

All I wanna do is zoom-a-zoom-zoom-zoom

And a poom-poom, just shake ya rump

All I wanna do is zoom-a-zoom-zoom-zoom

And a poom-poom, just shake ya rump

Shake it, shake it, shake it, now shake it

She can spend every birthday butt naked

Body is soft, makin' me wanna squish her

More just than a game, a rumper like a sub-
woofer

Shake it to the left (shake it), shake it to the
right

I don't mind stickin' it to her every single
night

Come on, pass the poom-poom, send it to
poppa

Shake it baby, shake it baby, shake it, don't
stoppa

Let me see you do the booty hop (hop)

And now make the booty stop
Now drop and do the booty wop (ooh)
The way you shakin' your reals, will appeal
Is makin' brother ill's (up a whole lotta bills)
But I ain't into trickin', just to treatin'
And I ain't into treatin' every trick that I'm
meetin'

(Nah, nah, nah, nah, nah, nah, nah)

Yeah, shake it baby, shake it now, shake it
like that

All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump

All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump

All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump

All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump

Check baby, check baby, one, two, three, four

Check baby, check baby, one, two, three

Check baby, check baby, one, two

Check baby, check baby, one, one

Check baby, check baby, one, two, three, four

Check baby, check baby, one, two, three

Check baby, check baby, one, two

Check baby, check baby, one, one

All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump

All I wanna do is zoom-a-zoom-zoom-zoom

And a poom-poom, just shake ya rump
All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump
All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump
Check baby, check baby, one, two, three, four
Check baby, check baby, one, two, three
Check baby, check baby, one, two
Check baby, check baby, one, one
Check baby, check baby, one, two, three, four
Check baby, check baby, one, two, three
Check baby, check baby, one, two
Check baby, check baby, one, one
All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump
All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump
All I wanna do is zoom-a-zoom
All I wanna do is zoom-a-zoom
All I wanna do is zoom-a-zoom-zoom-zoom
And a poom-poom, just shake ya rump
Break it down
WNE is in effect
Peace
