

Step 1:
make your bckg
black or grey
(grey allows
black accents

Step 2:
pick a base
color (or two!)

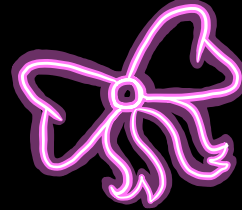

Step 3:
draw the picture
with your base
color

Step 4:
duplicate it,
but change the
color to white
and $\frac{1}{2}$ original
pen width

Step 5:
"outline" with
base color
highlighter

Step 6:
admire bc
its def better
than mine
