

Oki so I'm in first period rn. We have a sub. She does the prayer a bit different I'm not judging. We are worshiping God. No judging allowed. Anyway, in chapel yesterday, we were singing right, and the girl that's singing, she sounds amazing. But she's trying too hard. It's clear that her lungs and voice were not meant for the soprano part of the song. This is coming from a soprano who can sing higher than our qween on earth Moriah Carey. So I know what it looks like when you can sing high. And this poor girl was holding the mic away from her face so she wouldn't burst our eardrums because of how loud she was singing. It did nothing I was trying to enjoy her voice but I couldn't cause all I could hear was the mic cutting out cause she was screaming in the mic. She sounded beautiful but she was trying a bit too hard. Anyway that's my rant for today. Imma stop annoying you guys now. Bye 🙌
