

Hello, I'm Alison. I'm writing my journal entry to show why i am jealous of Koloa.

Day 1..

She stole my fame,, the day she was made, a quick overdo .. and poof. I was out of the spotlight.. SHE STOLE IT.. I got nothing. Nothing.. is mine..

Day 2..

why would she do that? She was made and i was expecting her to be a "background" oc. Not the MAIN OC. Now, i'm getting treated as a background, i'm not used anymore. Nothing is ever going to change.. nothing will change the fact that she stole MY fame.

Day 3..

This is the last day, of me writing. I wrote for 3 days. Yet nothing has changed. I'm upset. Why can't i get my fame back, i need it. I really do. I tried to contact my friend, Ally, the old main oc. She also really hates Koloa. We act all sweet princess to her, the creator told to treat her like how we were treated. Ugh! Why would i? She STOLE MY FAME!! I NEED IT BACK
