

Ok guys, so update on the “friend” she’s still trying to get in gallery and is being so ANNOYING! She literally texted me “is it ur birthday?” LIKE WHO ASKS THAT! IF ITS MY BIRTHDAY THAN ITS MY BIRTHDAY AND IF U WANNA BE MY BESTIE THAN KNOW MY BIRTHDAY!!! I wanted to say, “Nah def not” but I decided to be nice and I said, “uh yeah” then she hasn’t answered back. Wanna know my Pet Peeve? She texts u “hi” and that’s it then when u answer back the second she sends it she doesn’t answer for like a week and when she answers back guess what she says? “Hi” like r u serious rn bro? I can’t stand her and I hope she never gets into gallery or I will have to delete this note, wait never mind. I don’t care if she knows it’s her, she needs to know. Ask Emy (@carrot\_soccerball\_12) how annoying she is, I’m sure she also has something to say, also ask Katie (@gymnasticsforever) 2, I’m sure she also has something to say. Also follow them both and thx 4 reading!
