

Starr (Main skin)

Human with Morphing ability

Ember

Ember (True Form)

Ember (Ultra Form)

Phoenix-Dragon hybrid with ability to morph into a human

Snapper

Turtle with ability to morph into a human

Snapper (True form)

(My friend drew him too big, Snapper is just the size of a regular turtle)

Credits to my irl friend who drew both of Snapper's forms ☺ I'll tag him if I find out he has a Notability account

Still working on my
other Minecraft skin OCs
(artworks and on Skindex)
