

IDEA TIME!

Heres my idea, okay so look 👁️. Basically this post is for you too comment, I need MAJOR help. So as you all know I'm making a book, but the problem is that I don't have a book title or idea. So could you all help me out by commenting down any book titles, book settings, characters, etc. Whoever helps out with this will definitely get a shoutout and maybe I'll add in a sticker with that! Thanks in advance for everyone who helps! ❤️❤️❤️
