

Helloooo guysssss

It is 6pm rn and I am going to read my book after this post 🧐

Soooooo, yesterday I was sitting in the cafeteria of our school and drawing random stuff

1. A mouse like thing: his name is Caspar now
2. A lamp: her name is Renate (a german version of karen ig)
3. Two eyebrows: Jeronimo and Jeanette (jeanette maybe gets a eyebrow cut)
4. A part of a face of a girl: Dorothee

And no one of my friends, so 🍇, 🥝 or 🍏 wanted to help me name my 'characters' but 🥥
diddddd 🥰🥰🥰🥰🥰 ✨ ✨ ✨

NOW I know that our weirdness matches HIIHI 🤪

And today also 🥥 asked me why Valentine's Day is on tuesday every year and i was "Its on friday this year 🤔🤔" like please my boy there is smth called CALENDAR where you can look that up

But my first thought was: Why is he talking TO ME ABOUT VALENTINES?!?! 🤔🤔🤔
Cuz there were ull the other friends of him and he choose to ask ME?!

Also we texted on the way home in the bus abt our term certificate cuz he got picked up by his mom (my grand point average is 2,2 and his is 2,08) and I CAN SAY THAT MAH BOY IS A SMARTTTTTIEEE 💕💕

Btw I found a old picture of 🥥 with dyed blue hair because of a challenge 🤣🤔

Thatsss itt guyssss

Love yall 🥰
