

I'm prone to insanity!!! I see my greatest fears, shadow beings in my sleep,
LIKE @OCTO_ROBOTO! And red eyes in the dark,

I also hear voices 🐈 in my head, encouraging me to let go, and stop
fighting it!! " It meaning the..... control? Over my brain!!!

Happens VERY rarely tho, today was HORRIBLE, that's why I haven't been on very
much...

Don't mean to freak y'all out 😬
