

Don't wanna live as an untold story  
Rather go out in a blaze of glory  
I can't hear you, I don't fear you  
I'll live now 'cause the bad die last  
Dodging bullets with your broken past  
I can't hear you, I don't fear you now  
Wrapped in your regret  
What a waste of blood and sweat  
Oh-oh-oh

I wanna taste love and pain  
Wanna feel pride and shame  
I don't wanna take my time  
Don't wanna waste one line  
I wanna live better days  
Never look back and say  
Could have been me  
It could have been me

Yeah

Don't wanna live as an unsung melody  
I'd rather listen to the silence telling me  
I can't hear you, I won't fear you  
Don't wanna wake up on a Monday morning  
The thought of work is getting my skin crawling  
I can't hear you, I don't hear you now  
Wrapped in your regret  
What a waste of blood and sweat  
Oh-oh-oh

I wanna taste love and pain  
Wanna feel pride and shame  
I don't wanna take my time  
Don't wanna waste one line  
I wanna live better days  
Never look back and say  
Could have been me  
It could have been me

Yeah

Hey

I wanna taste love and pain  
Wanna feel pride and shame  
Don't wanna take my time (no)  
Don't wanna waste one line (hey, hey)  
Wanna live better days (just better)  
Never look back and say  
Could have been me  
It could have been me  
It could have been me  
It could have been me  
I wanna taste love and pain  
Wanna feel pride and shame

I don't wanna take my time  
Don't wanna waste one line  
I wanna live better days (just better)  
Never look back and say  
Could have been me  
It could have been me  
It could have been me  
It could have been me  
Yeah

If I told you this was only gonna hurt  
If I warned you that the fire's gonna burn  
Would you walk in?  
Would you let me do it first?  
Do it all in the name of love

Would you let me lead you even when you're blind?  
In the darkness, in the middle of the middle of the night  
In the silence, when there's no one by your side  
Would you call in the name of love?

In the name of love, name of love  
In the name of love, name of love  
In the name of  
(In the name, name)

If I told you we could bathe in all the lights  
Would you rise up, come and meet me in the sky?  
Would you trust me when you're jumping from the heights?  
Would you fall in the name of love?

When there's madness, when there's poison in your head  
When the sadness leaves you broken in your bed  
I will hold you in the depths of your despair  
And it's all in the name of love

In the name of love, name of love  
In the name of love, name of love  
In the name of  
(In the name, name)

I wanna testify  
Scream in the holy light  
You bring me back to life  
And it's all in the name of love

I wanna testify

Scream in the holy light  
You bring me back to life  
And it's all in the name of love

In the name of love, name of love  
In the name of love, name of love  
In the name of  
(In the name, name)  
In the Name of Love

I know a girl  
Who likes to drink her coffee black  
'Cause sugar, no, she don't got time for that  
Leaves her desires at the welcome mat  
When she walks in

And I know a boy  
Who likes to keep his burner on  
He's always running with no one to keep  
Warm  
It's like he's flirting with the smoke alarm  
His fires fading

But still we laugh, we cry  
We fall, we get high  
Just like we were kids, just like we were kids  
And when I am feeling small, you get me through it all  
Just like we were kids, just like we were kids  
Again

I know a girl  
Whos never tried to settle down  
She wears her loneliness just like a crown  
But when she smiles, all the kings will bow  
Down, down, down

And I know a boy  
Whos broken every vow he's made  
Whos spoken every coward's phrase  
But he can listen like a rainy day  
And drown it out

But still we laugh, we cry  
We fall, we get high  
Just like we were kids, just like we were kids  
And when I am feeling small, you get me  
Through it all  
Just like we were kids, just like we were kids  
Again

Just like we were kids, just like we were kids  
Again  
Just like we were kids  
Just like we were kids  
Just like we were kids again

And still we laugh, we cry  
We fall, we get high  
Just like we were kids, just like we were kids  
And when I am feeling small, you get me  
Through it all  
Just like we were kids, just like we were kids  
Again

Just like we were kids  
Just like we were kids again  
Just like we were kids  
Just like we were kids  
Just like we were kids again

Just like we were kids  
Just like we were kids again  
Just like we were kids  
Just like we were kids  
Just like we were kids again

Song: Riptide—Trivecta, AMIDY & RØRY  
You love me like a riptide  
I don't know if I'll survive  
As the darkness falls  
An ocean in your eyes, and I need you  
To let me go, to let it go  
I'm falling down

Your waves are pulling me under  
I drown to the sound of thunder  
The ocean is taking another life  
Your waves are pulling me under  
We all love what makes us suffer  
The ocean is taking another life

I'm caught in your riptide

I'm caught in your riptide

I'm caught in your riptide

As the water rushes over

My body grows colder  
Closer to you  
Everything is so blue now, tell me how  
It's so beautiful  
Illuminate, all I need is you

Your waves are pulling me under  
I drown to the sound of thunder  
The ocean is taking another life  
Your waves are pulling me under  
We all love what makes us suffer  
The ocean is taking another life

I'm caught in your riptide

I'm caught in your riptide

I'm caught in your riptide

Your waves are pulling me under  
We hold on, wanting to suffer  
The ocean is taking another life  
I'm caught in your riptide
