Pls pls pls draw people from alien stage i beg of you 🙏

I finished watching alien stage!

after seeing round 6, I got really attached to Till
(he's so majestic like look at him)

i swear im not simpin

BUT THEN HE WAS OOFED:((((

why must I suffer like this

mizi's face made it worse

I was miserable

ANYWAY...

some of the process

fun fact no
one asked for:

I was playing around
while drawing, and when
I tried to undo
magma wasn't letting
me. IT WAS ON
THE SAME LAYER
AS THE SHADING.

Uhh so I just put a
screenshot I took earlier
of her face, pasted it
on, and polished it up.
so just a fair warning,
the face might look
funky :>
