

6 PM I wake up seeing the noisy monkeys in the cages next to me, can't they get a break? 9:43 PM I've been hanging on my tree for a while, so I'm gonna eat with these dreadful humans gave me. Ugh they forgot to give me leaves again, even though I have some in my cage. 12 AM, No more kids YAYYYY. I hate them more than the monkeys. Always Screaming and with their sticky fingers. 3 AM NOOOOOO I JUST FOUND OUT ANOTHER SLOTH IS COMING. I OBVIOUSLY STILL AM THE BEST.
