

YALL my weekend was actually pretty good. I chilled out a lot and talked to my friends and also I tried a lot of new skincare routines. My bangs finally grew back to a length where I can put them down cuz it took FOREVER 😞. But I'm extremely happy that they are back 😍💕✨. I went to church today and I felt the Holy Spirit lots. 💕✨. I also talked to my Geese Friends like like a lot 🦢. I honestly have no words on seeing my crush tomorrow 😍. Ima just not run away from him cuz yea. I finally asked him like how I felt like he thought of me as like annoying and stuff.... But he doesn't think that 😊. He is very honest and he always makes me giggle likeeeeeeeee 😳. But he doesn't mind and he already knows I like him but he is still wanting to be good friends with me and I accept that. Idk if he changed his feelings or not but yea. 🙄. He is that guy friend that is sure a keeper 🍷. I honestly think on the weekends I'm so bored cuz idk WTH to freaking do soooo yea. I still got homework girlies so I have to work on that!
