## December 5 2023

Today I feel like really happy, I've been told I'm sassy which I am but I've gotten sassier and more "rude" and I got more friends. See when you're too nice you'll get backstabbed A LOT which is what happened to me but I've learned to be more "rude" and basically being mean instead of being nice. I like my outfit today! I never thought to say this but: OFTD

Sweatpants: Nike Top: H&M Sneakers: Puma high shoes

I'll be doing this everyday Nov Maybe vent but probs not :D Stay happy (4)
