

Do you have a  CRUSH? Bingo

they smile  
at you and it  
makes your  
day

you pretend  
that you  
find them annoying

you talk  
about them  
constantly  
(to myself)

you've  
dreamed  
about  
them

you blush  
whenever they  
talk to you

when they get in  
trouble you are in  
denial that they did  
something wrong

you're  
afraid  
to embarrass  
yourself around  
them

you like  
to imagine  
that you're  
together

you catch  
them staring  
at you and your  
brain explodes

whenever someone  
mentions them  
you immediately  
start eavesdropping

you subtly  
watch them  
in the  
halls

you  
try  
to look nice  
to impress  
the

when someone  
finds out,  
they try  
to hook  
you up  
(happened 1 time)

you catch  
yourself  
thinking about  
them too  
much

you  
have  
a hard time  
talking  
to  
them

you  
know  
you'll never  
be  
together
