I am collaborating with @sparra her school is HSA (Houston School for Abnormals) while my school, SFHU (School For Houston Unwanteds) is their RIVAL SCHOOL. They are both schools that accept students with powers. Class A is highest and can only be achieved if you are in 10th grade or above. Class B is for younger averagely experienced students with their powers. Class C is where students have nearly no control over their powers. Deadline is probably at the end of March.
