

I also want to say ❤️❤️❤️

Can the vixenloveshishusband and paige\_logan\_13 stop the drama. Like this is a free country. This is notability. We don't need all this drama in my gallery. I want to see everyone's beautiful art. Not haters. I'm not picking sides but I don't know that the drama needs to stop. Because I got stuck in the political drama 🙄🙄 and it is NOT FUN. because someone always ends up getting blocked or unfollowed and I honk we need to settle this. ❤️❤️❤️
