Plays video games all night:

Call's random phone numbers:

Is asleep:

Doing rituals to scare everyone:

Has nothing to do with the sleepover:

Brings a lot of snacks but doesn't share them:

Didn't wanna go but is still there:

Is just there to talk about spooky stories:

Is on the phone and actually didn't plan on interacting with anyone at all:

Blasts sh*tty music:

Gets really scared of every single sound they hear:

Is ultra careful not to ruin anything:

Stays up all night:
