

**Charlotte (Lottie) Bells:**

- Late 20's
- The artist and co-writer for LORN
- College dropout
- Has more failures than digits in her bank account
- "Hello hello hello, salutations, hi hi hi! Welcome to you all!"
- Has a love-hate relationship with everyone and everything
- Cares too much, thinks too much

**(Lorne):**

- Early 20's
- The creator and main writer of LORN
- College dropout
- May not seem like it but he's miserably passionate and passionately miserable
- He wants to be an opossum sometimes, thanatosis seems cool
- Equivalent exchange never works to his favor
- Cares too much, thinks too much, does too much, receives too little

2.) You have 4 personas...

4.) no, I get that! It's just...  
which persona are you  
talking about?

6.) the cat?

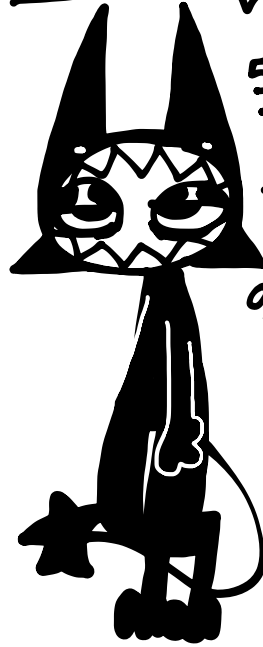

8.) wait!  
I thought that  
was a cat

10.) no, I get  
that! It's just that  
it looked like a  
cat. I've been  
drawing it thinking  
it was a cat for  
the longest time.

1.) if I was a girl I think  
I'd name my persona, like...  
Lorna or smth

3.) yeah...? Sorry, I get bipolar  
sometimes.

5.) this one

7.) the fox

9.) not every introverted  
person is a cat

11.) sorry, I'm not an  
artist...
