

Why are you always drawing men?

You see that woman over there?

ya se those things on her chest?

ya Those are ridiculously hard to draw and I want to avoid the headache

But you could just make em flat

$$\begin{array}{r} 1000 \\ + 3000 \\ \hline 4000 \end{array}$$

$$E=mc^2$$

$$x = y \times z$$

$$2+2 = 3$$

$$1/3 = 3$$

like yo...
