

# Chapter One

Next morning we woke up the sun was shining and the weather was decent. But when we walked outside no one was here no one was around, some of the houses was tour down. Wyatt grabbed my hand, w-w-what happened A-Austin? I don't know hon, but we must keep our heads up and stay strong. D-do you think we should call your band? Or the cops?, said Wyatt. We can try but of the town is destroyed then the police station is destroyed as well but we can try calling my band, I said. I grabbed my phone and dialed all of the band members but no response. No one answered my love. T-try your parents, said Wyatt. I noticed that Wyatt was concerned and worried. I hugged him and he picked me up and held me in his arms. I blushed and my eyes widened, wow your strong. He blushed and put me down, come on let's check for survivors, said Wyatt. I nodded and agreed, And we started walking moving rubble and yelling, trying to find survivors.

# Chapter two

We kept walking around trying to find survivors but there was no one around it was like god came to h\*ell ,and took everyone away. So where is everyone?, Said Wyatt. I don't have a clue, I said. And hour later. We walked into a lot of dead demons. I started to get scared, and Wyatt noticed and hugged me. Hey hey it's ok babe we can get through this together he said while softly smiles softly. I started to calm down and nuzzled into Wyatt. He smiled and picked me up and carried me. I blushed hard and I yawned softly and he saw it. Honey are you tired? , said Wyatt. I nodded and nuzzled into him. We found a good place to go to sleep and we went to sleep. I woke up because I heard footsteps and guns cocking. I got up really quickly and punched one of the guys in the face. GET AWAY FROM US!!! ow son of a bitc-. Another man showed his face and said, Hey it's alright we're the demon army finding survivors, are you two hurt? We both shook our heads. Ok good do y'all know what happened? No, I said. There's a group called the eliminators ever heard of them? Yea I heard of this, I said, there the people who joined the army but tried to change the army into assassins and some of the soldiers did but they got kicked out before there group got to big, I also added. Yes your exactly right, how did you know all of that? Only people who know that much are soldiers and upper ranks, soldier (1) said. I'm Austin aka denominator. All of the soldiers gasped. Then the first soldier said, omg you are the best soldier ever, everyone in the army wants to be you. I laughed and Wyatt sits there confused and he tapped my shoulder, h-h-hey hon are they going to hurt us? No hon there the demon army and I was

one of the best soldiers ever I guess. You were Austin, said soldier (1). Alright let's take you back

## Chapter three

We arrived at the camp and all of the soldiers were training. But what we I aspect it was a camp, and were we are all in the middle of a war. So what would I not expect. Wyatt grabbed my hand as a he saw demons staring at him. I looked at them with a dark look, and they looked away. It's ok hon I won't let them hurt you, I said. Why are they staring at me?, said Wyatt. Well your an angel and your for one in h\*ell for two your an angel and your In a demon camp, so yea their going to look at you, but I won't let them touch you. He smiled and kept holding my hand. I smiled back at him. Okay here we are, as we walk into the office. I looked around and it's big and so full of computers hacking this is not what I expected this was like at all I thought it would be people on a map and one guy on the computer trying to find the emails that the eliminators sent to tell the army to stand down. This is my office we are trying to figure out where the eliminators are. I chuckle I can tell all the computers. I said. Wyatt runs over to a computer and jumps into it. Hey hey hey get off there only verified personal people can be on the computers!, said the commander. I turn and see a big guy in general clothes on. Get these guys on the training grounds now!, the commander yelled. I don't need no training I'm denominator, I said. I DONT GIVE A DA\*M WHO YOU ARE YOUR ON MY wait did you say your the denominator? Asked the commander. Yes I am, I replied, that's my bf over there and I will not have you yelling at him he's good at what he does and he deserves a chance to find the eliminators. Oh ummm, the commander starts to get embarrassed, I umm I'm sorry ,he walks to me and he shakes my hand, can you both help us catch the eliminators? The commander asks. I look at Wyatt, and Wyatt looks at me and nods his head at me. Ok we're in.

## Chapter four

The commander starts to walk back to his office when... the video phone rang. It was an unknown number. Who could this be, said the commander. He answered it and it was not what he expected, it was the leader of the eliminators but he had a mask on so none of us knew who he was. This is my final warning if you don't give up I will take my men to destroy all the other rings, said the leader. And then Wyatt found out where the eliminators were and Wyatt looked at me and noted and the eliminators hung up. The commander told everyone, READY UP NOW NOT A DRILL. I grabbed my weapons and asked Wyatt to stay here and he got mad quickly, no I'm coming with you, said Wyatt.

No I can't let you go, I said. Wyatt responded, no I am going I want to help you and help h\*ell I may be a angel but I want to help. I start to tear up, I don't want to I-lose you I really love you Wyatt I can't bare to see you get hurt I can't live with myself without you. He sees me worrying about him and he hugs me. I-I-I-I-I-I-I-I-I-I. Shhhhhh it's ok Austin your fine I understand were your coming from but if I'm there I can help you, said Wyatt. O-o-ok j-just be careful please. I will said Wyatt I promise. I look at him and he smiles and I nuzzle into his neck. It's ok Austin I will be fine, now let's go. We walked outside to get some fresh air and we went outside and took some fresh breaths and he handed me a bottle of water. Here honey, said Wyatt. Thanks hon, I said. A soldier yelled, HEY SOMEONES OUTSIDE! I ran to the gate and saw a guy limping to the gate. STOP RIGHT THERE AND IDENTITY WHO YOU ARE NOW!, said the lookout. Then the guy looks up and falls down. We need a medical assistance now!, said the lookout. We ran up to him and he was unconscious, who is this guy?
