

Yes I like soccer-

Hell yeah baby!!

If you didn't watch the game (I doubt anyone did-) there's explanation on 2nd page lolz

So basically Inter Miami won't the league cup today (the team
Messi is on rn) and it was CRAZYY
They were in the finals against Nashville and Miami won through
PKS (penalty kicks)

Messi won his 44th trophy, he now has more trophies than any
sports player in **history**
