

**So basically out of the blue a user, @anabxll\_e\_alt, stated on one of @eyera\_the\_art 's posts that "I made an alt!" ("I" referring to @anabxll\_e) she proceeded to talk trash about her and basically say that she should quit and let other people shine and said that she as f ing overrated. After that she started to attack @anabxll\_e then me saying on my face reveal post how ugly we were and overall just saying hurtful things. They first made an account called @anabxll\_e-alt then they made an account called @anabxll\_e-real- alt now there is an account called @shrimpykaka-alt and there is @eyera\_the\_arts-alt and they are being ver rude.**
