... Are we still friends?  
Can we be friends?  
Are we still friends?  
I've got to kn-, know  
If we can see each other  
Shake your hand, say hi  
Long ago, long ago, long ago  
... I can't stop you, I can't rock too  
I've been back there and I can not die too  
But I've got to know  
... Are we still friends? Can we be friends?  
Are we still friends? Can we be- (can we be friends?)  
Are we still friends? Can we be friends? (Yeah)  
Are we still friends?  
... Are we still friends? Are we still friends?  
Are we still friends? Are we still friends?  
Are we still friends? (Friends, friends)  
I said, are we still friends? (Friends, friends)  
Are we still friends? (Friends, friends, friends, friends, friends)  
... Don't get green skin (green skin), keep contact (keep contact)  
Don't say, "Goodbye, smell you later" (bye, later)  
Nah, I can't  
I don't want to end this season on a bad episode, n\*\*\*\*, nah  
... Bouncing off things and you don't know how you fall  
Your power is drained, so you cannot go through walls  
You're caught in this matrix, don't know where you play it  
You hate it, it could be your favorite if you make it your friend  
... Are we still friends? (This can't end)  
Are we still friends? Are we still friends? (I still wanna say hi)  
Are we, are we, are we, are we still friends?  
Oh whoa  
... Can't say goodbye (check it, ahh)  
Can't say goodbye, goodbye (woo)
