Normal day, just an average one. Essentially for Lacy- all is happening is her entire friend group outside playing in the rain. Though she wants to, she just got her nails done. "Lac! C'mon!" Yelled Lura, from the downstairs, "It's going hard soon! Come enjoy it while it lasts!!" Lura yelled from the open window. "Will be down soon." Lacy said, trying to keep her nails dry. "I'll use waterproof gloves." Lacy thought, slipping on her gloves. Lacy heads downstairs where everyone is outside playing. "I can't believe I'm doing this." Lacy thought, opening the squeaky front door. Everyone wasn't there. "Where are they?" Lacy thought, closing the door. Soon enough, she caught Max across in her bedroom, next to the laundry. "Oh hey, Lacy!" Max said, peeking through the door. "Hey, well, I'm asking if you seen Starlight, Lura, Kitten and Undertale?" Lacy said, walking toward the coat rack. "Last place I saw them, they went out into the forest, it's been 3 hours since then-" Max said, closing the door. "I'll go out and look." Lacy said, grabbing her leathered black and white coat, she then slipped on her boots and opened the door. Seriously? They were all across in the pool. "I'm going back inside." Lacy said, opening the door then taking off her coat. It was then time for a nap, but suddenly a old woman popped up towards Lacy. "Huh?" Lacy thought. "Hello dear Lacy." The old woman said lightly. Then she was gone, nowhere to be seen.
