Skrin is a formal owl. He is devoted to guarding the Sacred Stone of the Owl Kingdom. He proudly wears it upon his fluffy warm neck. The rose quartz that the Sacred Stone is, is very rare in the Owl Kingdom. It is believed to keep the owls in harmony, and for love to prosper throughout the Kingdom. Skrin is the sworn protector of this stone. Although he's one with the Sacred Stone, he never will let it become his whole being. He vows to still be an individual with personal goals. Protecting the Sacred Stone is simply a hobby to him.
